Corrigendum

List of new names and new combinations previously effectively, but not validly, published: Validation List no. 166

Aharon Oren and George M. Garrity

*Cupriavidus yeoncheonensis* corrig. Singh *et al.* 2015, 755 was incorrectly listed in Validation List no. 166 as *Cupravidus yeoncheonensis*.

The footnote to the validation of the name *Hydrogenophaga luteola* Du *et al.* 2015, 699 in Validation List no. 166 must be corrected to: "The etymology must state L. fem. adj. and not L. masc. adj.s.

The name *Tunicatimonas pelagia* Yoon *et al.* 2012, 137 was included in Validation List no.166, but the genus name *Tunicatimonas* was omitted. Therefore the name of the species *Tunicatimonas pelagia* cannot be considered validly published in that list. For valid publication the names of the genus and the species follow here, based on the effective publication of the names by Yoon *et al.*, *Antonie van Leeuwenhoek* 101, 133-140 (2012):

*Tunicatimonas pelagia* Yoon *et al.* 2012, 137. sp. nov. Nomenclatural type: N5DB8-4 (= KCTC 23473 = NBRC 107804).

The name *Dyella jejuensis* Kim *et al.* 2014, 376 with nomenclatural type JP1 (= JCM 19615 = KACC 17701) was listed both in Validation List no. 166 and in Validation List no. 167. It must be considered validly published in Validation List no. 166.

We thank Dr Aidan Parte (LPSN) for notifying us of these errors in earlier validation lists.
