Microbiology is available online through HighWire Press, Stanford University. This service will initially be available for a free trial period, but during 1999 it will become restricted to subscribers to the print version at the institutional rate, at no extra charge.

Copyright and Permissions

Apart from any fair dealing for the purposes of research or private study, or criticism or review, as permitted under the UK Copyright, Designs and Patents Act, 1988, this publication may not be reproduced, stored or transmitted in any form, or by any means, without the prior written permission of the publisher; or in the case of reprographic reproduction, in accordance with the terms of permissions granted by copyright clearing houses such as the Copyright Licensing Agency (UK) or the Copyright Clearance Center (USA). The CCC fee code for this journal is 1350-0872/99. Requests for copying outside those terms should be sent to the Editorial Office.
