THE JOURNAL OF GENERAL MICROBIOLOGY
is conducted by the
SOCIETY FOR GENERAL MICROBIOLOGY

The Society for General Microbiology was founded to promote the advancement of microbiology, providing a common meeting ground for those working in various specialized fields including medical, veterinary, agricultural and economic microbiology. The Society is concerned with the more fundamental aspects of the study of bacteria, viruses, micro-fungi, protozoa and microscopic algae and in their various biological activities, its members being united by the common aim of developing scientific knowledge concerning micro-organisms.

The annual subscription, which entitles Ordinary Members to receive the Journal of General Microbiology, is 35s. (Overseas members £2) payable to the Society for General Microbiology, c/o Institute of Biology, 41 Queen's Gate, London, S.W. 7, or for resident members in the U.S.A. $6.00 payable to the Cambridge University Press, American Branch, 510 North Avenue, New Rochelle, N.Y. Subscriptions are payable on 25th March each year. The annual subscription for Associate Members, who do not receive the Journal of General Microbiology, is 10s. also payable on 25th March each year.

All correspondence concerning applications for membership, changes of name and address, or payment of subscriptions should be sent to 'The Society for General Microbiology', c/o Institute of Biology, 41 Queen's Gate, London, S.W. 7.

All communications concerning the purchase of the Journal, including the purchase of back numbers by members of the Society, should be addressed to the Cambridge University Press.

Members are particularly asked to write to the appropriate officer. All correspondence concerning meetings must be sent to the Meetings Secretary.

OFFICERS OF THE SOCIETY

President
D. W. HENDERSON, D.Sc., F.R.S.
Microbiological Research Department, Experimental Station, Porton, nr. Salisbury, Wiltshire

Treasurer
K. E. COOPER, M.R.C.S., L.R.C.P., Ph.D.
University of Bristol, Department of Bacteriology, Clifton, Bristol, 8

General Secretary
S. T. COWAN, M.D., D.Sc.
Central Public Health Laboratory,
Colindale Avenue, London, N.W. 9

Meetings Secretary
H. SMITH, D.Sc., Microbiological Research Department,
Experimental Station, Porton, nr. Salisbury, Wiltshire

PURCHASE OF JOURNAL BY NON-MEMBERS

For non-members of the Society the subscription for the Journal of General Microbiology, Volume 36, is £4, post free ($13.50 in U.S.A.).
