Minutes of the Meeting, 4 July 1994, Prague, Czech Republic

**Minute 1. Call to order.** The meeting was called to order at 2:25 p.m. on 4 July 1994 by Chairperson M. Goodfellow.

**Minute 3. New members.** This is new subcommittee currently comprised of members from the old *Actinomycetales* subcommittee. Four new members were nominated to serve on the subcommittee: T. Kudo (Japan), G. Manfio (Brazil), M. Trujillo (Switzerland), and F. Korn-Wendisch (Germany).

**Minute 4. Current membership.** The current membership of the subcommittee is as follows: M. Goodfellow (Chairperson), United Kingdom; G. Garrity (Secretary), United States; L. V. **Minute 5. Taxonomic problems.** This subcommittee covers a very large range of genera, most of which have not been subjected to intensive molecular systematic analysis. More sequencing data are needed to permit the generation of minimal descriptive standards for most genera in these families. A focus study on poorly defined genera may be needed.

**Minute 6. Next meeting.** The next meeting of the subcommittee will be held during the International Congress of Microbial Ecology, which is to be held in Campinas, Brazil, during August 1995.

**Minute 7. Adjournment.** The meeting was adjourned at 2:52 p.m. on 4 July 1994.
