Corrigendum

Prophylactic and therapeutic vaccination against a mucosal papillomavirus

Journal of General Virology (1993), 74, 945–953

Reference to L2b in the footnotes to Table 1 should be deleted. The first sentence of the first footnote should read ‘The animals were inoculated twice with 1 mg of protein, except in group 2, expt 5 where they received two inoculations of 100 μg each.’
