Errata

Prevalence and molecular epidemiology of plasmid-mediated fosfomycin resistance genes among blood and urinary *Escherichia coli* isolates

Pak-Leung Ho, Jane Chan, Wai-U Lo, Eileen L. Lai, Yuk-Yam Cheung, Terrence C. K. Lau and Kin-Hung Chow

The sequence type for strain 76726 given on pages 1709 and 1710 was typed incorrectly. The correct sequence type for the strain is ST117.

Doi: 10.1099/jmm.0.074468-0

Investigating the role of pneumococcal neuraminidase A activity in isolates from pneumococcal haemolytic uraemic syndrome

Andrew Smith, Calum Johnston, Donald Inverarity, Mary Slack, Gavin K. Paterson, Mathew Diggle and Timothy Mitchell

Gavin K. Paterson has been added as an author of this paper. The online version has been corrected.

Doi: 10.1099/jmm.0.074484-0

*Vittaforma corneae* keratitis in southern India: role of a novel duplex PCR

M. Jayahar Bharathi, N. Murugan, G. Ramesh Kumar, R. Ramakrishnan, V. Anitha and S. Ramesh

*Journal of Medical Microbiology* (2013), 62, part 4, pp. 553-559.

N. Murugan has been added as an author of this paper. The online version has been corrected.
