

AUTHOR SUBMISSION CHECKLIST

Scope

- Official journal of the [ICSP](#)
- Identification, characterisation and culture preservation
- Microbial evolution and biodiversity
- Molecular environmental work with strong taxonomic or evolutionary content
- Nomenclature
- Taxonomy and phylogenetics

HYBRID

Are you looking to publish new taxa?

If you are reporting novel taxa, please visit the [journal's website](#) for full details on what information needs to be included within your submission for it to be considered: [Publication of new taxa](#)

IJSEM also validates newly described taxa published in other journals, authors should submit a covering letter and a PDF of the published article(s) to ijsem@microbiologysociety.org. The requirements for validation are identical to those for publication in the journal.

Author statements

All papers must contain:

- Funding statement
- Conflict of interest statement

For animal or human studies:

- Ethics approval and grant number
- Consent to publish (for studies containing identifying information about subjects)
- Consent to participate (if subjects recruited)

Your submission

When submitting please upload:

- Your manuscript (Word document)
- Title page
- Abstract
- Main text
- References
- Line numbers
- Ensure all tables, figures and supplements are cited sequentially in your text
- Separate figure files
- Any supplementary material as a separate PDF (tables can be excel)
- Culture collection certificates (if describing new taxa)

You and your Co-Authors

- Ensure all author details are correct and are the same in both your submitted manuscript and on Editorial Manager.
- Are your affiliations correct and as you expect them to appear if published?

Access Types *(International Journal of Systematic and Evolutionary Microbiology is a hybrid journal)*
