

# AUTHOR SUBMISSION CHECKLIST

## Scope

Published by the **Microbiology Society**, *Microbial Genomics* is a **Gold Open Access**, peer-reviewed journal publishing cutting edge, pioneering research into genomic approaches to microbiology, fully supported by **Open Data** and innovative collaborative services. We cover topics including, but not limited to:

- Functional Genomics and Microbe–Niche Interactions
- Populations, Pathogens and Epidemiology
- Metagenomics and Microbiomes
- Evolution and Responses to Interventions
- Genomic Methodologies

## Open Data

- Deposit and provide access to all generated and supporting data, code or software, which have led to the conclusions drawn in the article.
- Deposit supporting data in publicly available repositories (where available and appropriate) or present them in the main manuscript or additional supplementary material.
- All sequencing data must be deposited and be publicly available at submission, however all other supporting data can be made privately available at point of submission for peer review, and then must be made publicly available at acceptance.

## Your submission

When submitting please upload:

- Your manuscript (Word document)
- Title page
- Abstract
- Main text
- References
- Line numbers
- Ensure all tables, figures and supplements are cited sequentially in your text
- Separate figure files
- Any supplementary material as a separate single PDF (tables can be excel)

## Author statements

All papers must contain:

- Funding statement
- Conflict of interest statement
- Data summary
- Impact statement

For human and animal research:

- Ethics approval and grant number
- Consent to publish (for studies containing identifying information about subjects)
- Consent to participate (if subjects recruited)

## You and your Co-Authors

- Ensure all author details are correct and are the same in both your submitted manuscript and on Editorial Manager.
- Are your affiliations correct and as you expect them to appear if published?

## Access Types *(Microbial Genomics is a Gold Open Access (OA) journal)*
